

Introduction:

Front end is designed by using **VUE JS**. Front end has below screens.

1. Login Screen:

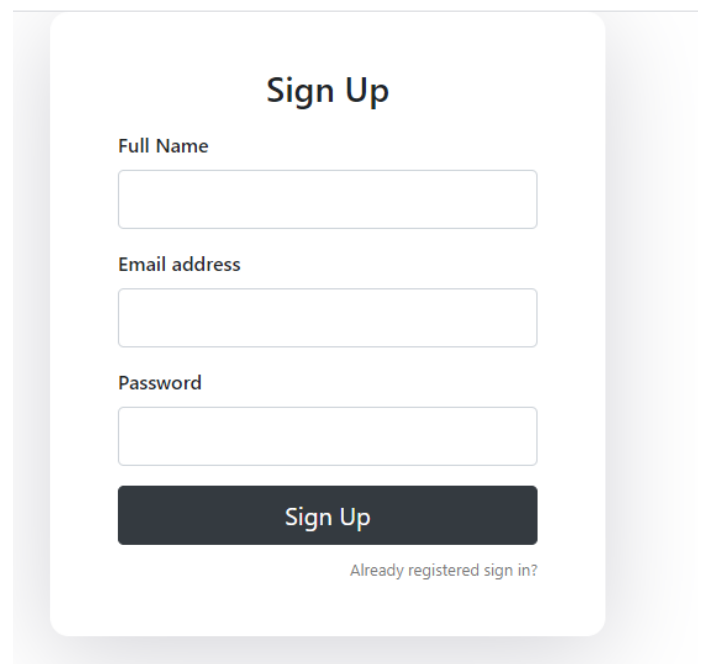

This screen is use for user login.

A mockup of a 'Sign In' screen. It features a white card with rounded corners on a light gray background. The title 'Sign In' is centered at the top in a bold, dark blue font. Below the title, there are two input fields: 'Email address' and 'Password', both with light gray borders. A dark gray button with the text 'Sign In' in white is positioned below the password field. At the bottom right, there is a link that says 'Dont have account ? Signup'.

2. Sign Up Screen:

This screen is use for user registration.

A mockup of a 'Sign Up' screen. It features a white card with rounded corners on a light gray background. The title 'Sign Up' is centered at the top in a bold, dark blue font. Below the title, there are three input fields: 'Full Name', 'Email address', and 'Password', all with light gray borders. A dark gray button with the text 'Sign Up' in white is positioned below the password field. At the bottom right, there is a link that says 'Already registered sign in?'.

3. Home Screen:

This screen will show list of devices.

MAIN NAVIGATION	S.no	IMEI	SIM	ENABLE	CONFIGURED

4. Register Device Screen:

MAIN NAVIGATION	Register Device	
	IMEI	<input type="text"/>
	SIM	<input type="text"/>
	<input type="button" value="Register"/>
